# Crazy Patch Scented Pillow

Design by Willow Ann Sirch

*Fill a pretty pillow with pleasant scents  
that will delight both the giver and  
giftee of this pretty patchwork pillow.*

## Finished size

8 x 6 inches

## Materials

- Woven fabric fat quarters:
  - 1 red (A)
  - 1 red print (B)
  - 1 white patterned
- Scraps 5 decorative white patterned fabrics
- White, off-white and mauve pearl cotton or 6-strand embroidery floss
- Assorted beads, lace, appliqué
- Dried fragrant plant material or other scented filler
- Embroidery and beading needles
- Basic sewing supplies and equipment

## Cutting

### From red (A) fat quarter:

- Cut one 6½ x 8½-inch rectangle for pillow back.
- Cut two 3½ x 4½-inch rectangles for pillow front.

### From red print (B) fat quarter:

- Cut two 3½ x 4½-inch rectangles for pillow front.

### From white patterned fat quarter:

- Use template (page 4) to cut one heart for appliqué.
- Cut two 6 x 8-inch rectangles for sachet bag.

## Heart Appliqué

1. Working from the right side of the heart appliqué, cover shape with small scraps of white fabrics, turning under and pinning raw edges.  
*Note: Each fabric raw edge should be covered by another fabric or turned under, except at outer edges of the heart.*
2. Tack the turned-under edges in place with thread. Cover each seam with a different shade of embroidery floss or pearl cotton using decorative embroidery hand or machine stitches.
3. Embellish shapes as desired with beads, lace and/or appliqué.

---

## Assembly

Use ¼-inch seam allowance unless otherwise stated. Sew right sides together. Press seams as you sew.

1. Sew one pillow front A rectangle and one pillow front B rectangle together along short edges. Press. Repeat with remaining A and B pillow front rectangles. Sew A and B units together along long edges, alternating positions of fabrics (Figure 1). Press.

2. Center heart appliqué on pieced pillow front. Hand-appliqué in place, turning under raw edges. Work decorative embroidery stitch around outer edge.
3. Sew sachet bag rectangles together along one short and two long edges. Turn right side out. Fill with dried fragrant plant material and hand-stitch opening edge closed.
4. Sew pillow front to pillow back along one short and two long edges. Insert sachet. Turn in raw edges of front and back, and hand-stitch edges together. ⊗
